

Dear community businesses, family, and friends:

We would like to send you our greetings and best wishes for a prosperous year. We know that your time is valuable and we appreciate you taking a moment to read this letter.

WE NEED THE SUPPORT OF OUR COMMUNITY! We are an official Club at Bryan Station High School and are currently seeking sponsors for the upcoming 2020 Spring season. As with any sport, much of the program's success is credited to the involvement of our parents and local business support. Your support goes to help our team with equipment costs, uniforms, referee fees, and more. Without this support, we would not be able to field a team each year.

Lacrosse offers a great way for our high school kids to get involved in an athletic activity and fosters positive self-esteem, while providing a fun and competitive atmosphere. Lacrosse allows many young adults to use their physical talents and critical thinking skills and provides a platform for them to learn life-lessons such as respect for others, politeness, social skills, sportsmanship, and much more. Bryan Station Lacrosse strives to not only teach the skills of the game of lacrosse, but to provide the tools and guidance to develop well-rounded individuals that will be successful in life.

Please complete the attached form and return it with a check payable to Bryan Station Boys Lacrosse. Mailing address is:
